- eGrant Implications
- eGrant Preparations
- eGrant Demonstration
- eGrant Q&A

FY2013 Grants

Arts Organizations

- General Operating Support
- Arts Stabilization
- Education Resource

Community Organizations

- Project Support
- Opportunity Grant

Schools

- Artist Residency
- Education Resource

Individual Artists

- Artist Fellowship
- Opportunity Grant

Changes in FY2013

- General Operating Support
 - All applicants on a two-year application cycle
 - Interim reports required in “off” year
 - Don’t miss this year’s deadline!

Changes in FY2013

- **STARTUP**
 - Biennial application cycle
 - New deadline: August 1 (2012)
 - Program runs January – December (2013)
 - Program synchronized with GOS biennial cycle

Changes in FY2013

- Education Resource
 - More inclusive parameters
 1. arts exposure activities (one-time activities that “expose” students to the arts for awareness and appreciation purposes)
 2. curriculum- and standard-based arts programs arts programs in the schools presented before or after the regular school day (giving students additional opportunities to create, produce, and learn through the arts)
 - Modifications in eligible expenses for funding

Why eGrants?

- For the Applicant
 - Ease of application (in completion and submission)
 - Cost savings (in time and money)
 - Minimizing data entry (pre-populated fields)
 - Accurate mathematical calculations (Project Support)
 - Confirmation that application is complete before submission

Why eGrants?

- For the Division
 - Ease of application retrieval & processing
 - Cost savings (in time and money)
 - Minimizing data entry (electronic downloads)
 - More efficient & accurate data collection & recordkeeping
 - Improved reporting and trend tracking capabilities
 - Addresses state eGovernment goals

Why eGrants?

- For the Panelist
 - Easy (electronic) access to application materials
 - Reduced waste
 - Consistent formatting

eGrant Implications

- Learning curve for everyone!
- Can't rely on past procedures
- Needs everyone "in the loop" who writes, compiles, approves the application
- Don't wait! The system automatically closes at 4:30 p.m. on March 1, 2012

eGrant Preparations

Have you...

- Gotten your DUNS number
- Checked for or installed PDF conversion software
- Identified who will be working on the application(s)

Are you...

- Up to date with IRS filing
- Up to date with audits/financial reports
- Ready

eGrant Demonstration

How does artsdel.egrant.net work?

- Login in and Password
- Features and symbols
- Navigation components
- Entering data
- Uploading files
- Checking and submitting the application

eGrant Q&A

- What other questions do you have about eGrants?
